## Fr. Mateo Crawley Boevey, SS.CC

"In the name of the Church, I command you to give the rest of your life to this work of social salvation ... the sanctification of families."

St. Pius X in 1907 to Father Mateo, Founder of the Enthronement Apostolate.

Father Mateo Crawley-Boevey, SS.CC., the founder of the Sacred Heart Apostolate, was cured of sickness in the Visitation Chapel of Para-le-Monial; the same chapel in which Jesus revealed His loving Heart to St. Margaret Mary. In 1907, he shared his vision for the Enthronement with Pope (St.) Pius X who "commanded" Father Mateo to begin immediately to bring Christ alive in families throughout the whole world. All succeeding Popes have written letters, Encyclicals or general publications that either directly or indirectly support this Apostolate. In this 21st Century, Pope John Paul II and Pope Benedict XVI have encouraged families "to build a civilization of love" and to "welcome the Heart of Christ, entrusting our home to Him."

This apostolate and the blessings of it flow from the Enthronement of the Sacred Heart in the home. We celebrated the 100<sup>th</sup> anniversary of the Home Enthronement Apostolate founded by Fr. Mateo in August 2007 at the Sacred Heart Family Conference in Liverpool NY. For more information on the Enthronement of the Sacred Heart, go to www.SacredHeartApostolate.com or call 315 492-6308.
